Principles

At Studlands Rise First School:

We aim to ensure teaching and learning opportunities meet the needs of all our pupils.
We ensure appropriate provision is made for pupils who are identified as belonging to vulnerable groups.
In making provision for socially disadvantaged pupils, we recognise not all pupils who receive free school meals will be socially disadvantaged and some socially disadvantaged children are not registered for free school meals.
We have a small number of children in receipt of free school meals and therefore our Pupil Premium funding is used to fund additional staffing to meet the needs of our children.
Extra support is allocated following a needs analysis which identifies priority classes, groups or individuals.

Identified Priorities

At Studlands Rise First School:

We want every child to be able to access a full and engaging curriculum regardless of their social, economic, cultural and academic backgrounds. Our aim is to ensure that every child is supported through early identification, quality provision and resources to allow them to make progress and achieve good learning outcomes. For children to progress academically they need to feel safe and valued. They not only need a curriculum that is based on prior learning and needs, but underpinned by the right learning behaviours and attitudes so that they can become independent learners able to work and learn alongside others. These fundamental principles underpin our provision planning and Pupil Premium allocation.

The range of provision within our school may include:

- We use a range of strategies to support our children, including;
