CHARGING AND REMISSIONS POLICY

INTRODUCTION

The Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs, trips and residential experiences can make towards pupils' personal and social education.

The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

CHARGES

The Governing Body reserves the right to make a charge in the following circumstances for activities organised by the school:

School Journeys in School Hours

The Board and Lodging element of residential activities deemed to take place largely within school hours.

Activities Outside School Hours

The full cost to each pupil deemed to be optional extras taking place outside school hours.

Instrumental Tuition

The cost to the pupil for providing individual and group instrumental tuition.

Swimming

The cost of lessons, determined by Royston Leisure Centre and the cost of transport.

GENERAL

The Governing Body may, from time to time, amend the categories of activity for which a charge may be made.

Nothing in this policy statement precludes the Governing Body from inviting parents to make a voluntary contribution towards the cost of providing other educational experiences for pupils.
